

## Dri Dek Tiles S800

- ◆ 1 square foot tiles 9/16" thick made from tough Oxy-B1 vinyl
- ◆ Anti-microbial that kills germs and deters fungus, mold & mildew
- ◆ Its unique elevated flow through design drains liquids and circulates air to dry moisture, which makes it ideal for wet counter tops in bars
- ◆ Each tile has a 289 shock absorbing flexible legs that help reduce leg and back discomfort from standup jobs
- ◆ Widely used in pool areas, showers, stand up jobs, and can also be used as a liner for shelves and kennels
