- ◇ A high end mat with over 1/2 " thickness constructed from 37 oz., of polypropylene yarn per sq. yard
- ◇ Besides its luxurious look it is spike resistant and withstands tremendous wear
- ◇ Mold and mildew resistant, stain resistant, and naturally anti-static
- ◇ Its intricate pattern aggressively scrapes away dirt and absorbs moisture
- ◇ Unaffected by climate extremes and useable outdoors and indoors
- ◇ Widely used in golf clubs and pro shops. Plant to office entrances, and main lobbies of major corporations looking for a grand look combined with functionality
