- ♦ Solid Rubber Construction, 5/8" thick makes is very durable and long lasting
- Can withstand extreme temperatures and exposure to chemicals
- Holds lots of moisture, debris, liquids and aggressively scrapes off dirt with the help of tiny little fingers
- ♦ It also possesses anti-fatigue properties and hence can be used behind counter, cash registers etc.
- ♦ Ideal for public showers, and a must for entryways to scrape off dirt and debris.
- ♦ Can be used indoors or outdoors and great for slow to medium traffic
