6' x 60'

- ◆ PVC 3/8 " thick sponge runner with bevel that runs along the length of the roll
- ◆ Well defined ribbed lines enhance worker traction and relieves leg and back discomfort
- ◆ Very light weight and repels liquids from getting absorbed due to its closed cell properties
- ◆ Very durable and most economical anti-fatigue mat in the market
- ◆ Ideal for warehouses, machine shops where people are exposed to long hours of walking on hard surfaces
