All customs mats have a 1.5" bevel all sides				

- ◇ A high end mat with over 1/2 " thickness constructed from 54 oz. of poly propylene yarn per sq. yard
- ◇ Besides it luxurious look it is spike resistant and withstands tremendous wear
- ◇ Mold and mildew resistant, stain resistant, and naturally anti-static
- ◇ Its intricate pattern aggressively scrapes away dirt and absorbs moisture
- ◇ Unaffected by climate extremes it is useable outdoors and indoors
- ◇ Widely used in gold clubs and pro-shops. Plant to office entrances, and main lobbies of major corporations looking for a grand look and durability
