- ◇ Ultra dense polypropylene mat that is 3/8 " thick
- ◇ Molded cubes, loop pile design helps to trap dirt and retain water
- ◇ Crush resistant and maintains vivid colors
- ◇ Rubber backing is smooth or with nibs to reduce mat movement
- ◇ Good for all entrances and heavy traffic areas. Widely used in major corporations, universities, schools, and warehouse entrances
- ◇ Beside its functionality, the waffle pattern makes is very desirable mat
