- ◇ 5/8 " PVC Sponge anti-fatigue mat that is very light weight
- ◇ Ribbed surface provides excellent traction
- ◇ Mildew resistant and fast drying and won ' t absorb liquids due to close cell construction
- ◇ This mat comes with tapered edges that run along the length of the roll to avoid any tripping hazard
- ◇ Can be used indoors or outdoors and great for medium to heavy traffic
- ◇ Relieves leg and back discomfort, and ideal for places where long hours of standing are required
- ◇ Widely used behind service counters, mail rooms, cashier stations, warehouse and packaging stations
